

## **Notes to help you make your reservation.**

*IMPORTANT: If reservations are “off line”, this doesn’t mean we are sold out. There are 400 spaces of which only 125 can be reserved.*

There is a six foot maximum vehicle height including hatch height when open. Reservations are for parking spaces only; admission is extra and will be charged at the Ticket Booth. Tickets/Seats refer to a Space.

When looking at the Drive-In reservation map, spaces (white dots) can be reserved. Areas where there are no spaces indicated are open to anyone on a first-come, first-served basis. Gray spaces have already been reserved. If at 4 p.m. there are spaces that have not been reserved, these are available to anyone on a first-come, first-served basis. The last row in yellow cannot be reserved and is open to anyone. If your vehicle height is taller than 6 feet, this is an ideal location to park with a perfect view of the movie screen.

Please bring ticket confirmation with you. Due to long lines, arrive an hour before show time in order to hold your reservation. No refunds once a space has been reserved. Reservation deadline is approximately 4 p.m. but may vary on busy nights.

Problems? Please call (717) 776-5212 and leave a message. (There is a very long pause before you can leave a message.)
